Dear Ms Hay,

On behalf of the Kingston Frontenac Public Library and the children who use our services, thank you for the donation of twenty-two copies of *Mary Lou's New Telescope*. The English copies will be available in all of our seventeen branches in the City of Kingston and in Frontenac County. The French copies will be available at the Central Library, Isabel Turner, Calvin Park, Pittsburgh and Sydenham branches. All of the copies will be available through our inter-branch loan service.

I'm sure that *Mary Lou's New Telescope* will be very popular with our readers as the world celebrates the International Year of Astronomy.

Again, thank you for your generous donation. It is very much appreciated.

Yours sincerely,

Patricia M. Enright
